“Custom Nationals Geiselwind”

Custombike and US-Car Show at Autohof Strohofer/Geiselwind

Friday, August 1st - Saturday, August 2nd 2025,
Autohof Strohofer/Geiselwind/Franconia/ Germany

By July 20th, more than 130 top custombikes from Germany, Austria, Switzerland and other European Countries have already signed in to what will become a definite Highlight of this years European “Show Season”! Situated in the middle of Germany and Europe, Autohof Strohofer’s huge “Event Hall” will host the premiere Edition of the “Custom Nationals” Bike & US-Car Show. By mid July, some 130+ top bikes have already signed in, including international renowned names as USM, Thomas Habermann, Black Steel Choppers, Julian von Oheimb, Gietl Bikes, Harley Davidson Würzburg Village, Krawallrad as well as Franconian top customizers House of V-Twin, Siggi’s Psycho Cycles. Lucke Motorcycles, 7-Haar Bikes, RV-Bike Tech, 318 Prowlers, CNC Tanglest and others. Confirmed are numerous Award winning bikes as the Indian Riders Fest 2025 “Best of Show” and CUSTOMBIKE 2024 Build-Off winning Indian Scout by USM, “Best of Show” Winner of “Customs of Slovakia” 2025 and a huge number of Best of Show and Class Winners of the “Bike & Music Weekend” Bikeshows. The oldest motorcycle signed in yet is a 1916 Triumph Model H that survived World War 1, the biggest in displacement will be a 5.700 cc V8 Boss Hoss. The biggest displacement record in one cylinder will certainly be an eyecatcher in this years show as one competitor planted a 800 cc “Deutz” stationary motor in his trike! Dr. Jekyll & Mr. Hyde Exhaust systems, the HQ situated near Custom Nationals Geiselwind will present numerous bikes of all types, premiering for Germany the brandnew “Racer Style” Indian Scout” introduced at Indian Riders Fest 2025.

While half way around the globe, Sturgis Rally & Races will celebrate 85 years with at least 20+ different themed bikeshows on many different locations, Custom Nationals Geiselwind will “compress” this into a spectacular 16-class Bikeshow (plus Special Awards) in just two days “showtime”! And there are still some places available to enter YOUR custombike, Youngtimer or Antique beauty!

The first weekend of August 2025 the “Custom Nationals Geiselwind” will start a completely new event, combined from two major parts of “Bike & Music”: A state-of-the-Art high-class custombike show and the traditional “drive-in” US-Car & Hot Rod Show now held at the “Showmile” and Paddock Area outside the Strohofer Event Hall which now will host the indoor bikeshow event. Dealer Mile, Dragster Exhibition and live music will entertain the visitors on the outdoor stage. For one of the approx. 150-160 entry spots in the Show Hall, you have to pre-register at “custom-nationals.de”, then you will receive a confirmation of your entry before the **show** is **“ON”**.

With a 25+ years experience of organizing the 80-100 entry “Bike & Music” bikeshow, the same team has created a state-of-the-art online sign-in procedure to allow as many national and international pro, semi-pro and private customizers to **“show-off”** their craftsmanship in a representative environment AND share their latest custombike creations with each other and the audience!

Visit “Custom Nationals” or pre-register your Custombike NOW! The **Showdown** you don’t want to miss!

CUSTOM & CLASSIC BIKE SHOW INFO:

The „Custom Nationals“ bike show features 16 classes & special trophies (!). open to ALL motorcycles from scooters to radical custom and hand-crafted one-off motorcycles. The bikes will be exhibited and presented in a prestigious and cool atmosphere inside the famous Strohofer event and concert hall. Bikes accepted for the show can be unloaded from Thursday afternoon or on Friday morning – and should remain „on display“ until the official end of the event on Saturday evening. Bikeshow, photoshoots and trophy presentation will take place protected inside the Strohofer event hall.

PRE-SHOW:

After receipt of your electronic application, every participant will receive an electronic confirmation. If your bike is accepted for the show, we will send you an invitation by e-mail. This invitation includes **FREE ACCESS** to the event (weekend ticket) and a **RESERVED EXHIBITION SPACE** for your bike(s) in the event hall. Along with the invitation we will send you a data sheet on which you can describe all Tech Specs and modifications to your bike in detail.

Due to the Hall layout, only a limited amount of space is available for the bike show. Accordingly, the number of vehicles / classes is limited. We ask for your understanding in advance!

JUDGING & PRESENTATIONS:

Judging procedure: Friday night or Saturday morning, an customizing-experienced top jury will evaluate your stock and custombike creations. Throughout the weekend, Frank Sander will be presenting selected bikes during the show times in the event hall.

ARRIVAL, PHOTO SHOOT & SET-UP:

„Motographer“ Horst Rösler will take „entry pictures“ of all participants to the show and full portraits of „possible winners“ in the „Motographer“ photo studio.

So please come prepared: Arrival/unloading - cleaning - entry photoshoot (Bike/owner/builder) - placing of the bike inside the hall. Full bike feature shootings will be arranged/called in.

AMD APPROVED BIKE SHOW

The Bike Show is an “AMD approved“ bikeshow, as in continuation of the American Motorcycle Dealer World-Championships (www.amdchampionship.com). The winners will be presented both online and in the globally published AMD magazine. The awards ceremony and trophy presentation will take place on Saturday afternoon. The exact times will be announced on site.
